

SHREE NIKETAN  
SCHOOLS  
Indian Roots. Global Outlook.

*Future-forward, always.*

*Years of Shree Niketan*

*Future-forward, always.*

***Years of Shree Niketan***

To go places is to have wings. To have wings is to gain freedom. With freedom comes great vision. With vision comes discipline. We are proud to say that we've come this far with might and right. Now that we are 20 and roaring, we steer to take education far.

## The Shree Niketan Ethos: Cultivating Character for Nation-Building

Education transcends mere academic excellence and subject mastery. It's about the lifelong lessons and values students acquire. At Shree Niketan, we are committed to instilling a robust value system in our students, equipping them to be exemplary figures and sources of inspiration. The Shree Niketan Ethos comprises fundamental teachings aimed at shaping each child's personality, character, and future.

These values are not just taught, but are actively practiced and honed at Shree Niketan. As students internalize these principles, they become intrinsic parts of their identity, distinguishing Shree Niketan as an institution where character and nation-building go hand in hand.

### INTEGRITY

Emphasizing the earnest acceptance of what is earned. Integrity is a cornerstone value taught and practiced within our campus. This genuine sense of honesty is fostered throughout the students' educational journey.

### SELF-BELIEF

Fostering strong self-belief, we encourage our students to stand firm in their convictions, supporting them to uphold their principles in all circumstances.

### GENDER EQUALITY

We emphasize the equal and vital roles that boys and girls play in society. Gender equality is not just practiced; it's a way of life at Shree Niketan, preparing our students to champion this principle in the wider community.

### EQUALITY FOR ALL

We endorse the principle that no one stands above another. Mutual respect is cultivated right from the greeting, with everyone acknowledging each other as equals within the school.

### DIVERSITY AND INCLUSION

Every religion, caste, and social stratum finds a welcoming space at Shree Niketan. We celebrate unity in diversity, fostering a sense of oneness and communal harmony.

### ENVIRONMENTAL STEWARDSHIP

We discourage any form of wastage, teaching our students to respect and care for the environment. This nurtures them to become responsible custodians of our planet.

# SNGS A TRUE FORMULA FOR SUCCESS.

At Shree Niketan, preparing students for the future goes beyond board exams- we equip them to excel in competitive landscapes like NEET, JEE as well. In line with this vision, we have forged strategic partnerships to provide structured coaching for national-level entrance examinations.

Shree Niketan stands out as one of the few schools in the region, offering a comprehensive 2-year foundation followed by a 2-year integrated program. Since 2017, our Tambaram campuses have benefitted from an academic tie-up with “SNGS Academy of Advanced Learning”, offering in-school coaching for NEET, JEE, and other competitive exams. The program is seamlessly integrated into our academic schedule, ensuring students receive expert guidance without compromising their regular studies.

## SHREE NIKETAN TALENT REWARD TEST 2025

₹ **50,00,000/-**  
WORTH OF SCHOLARSHIPS AND PRIZES

In our journey of nurturing brilliance, the Shree Niketan Talent Reward Test stands as a beacon of opportunity for meritorious Grade 10 students from schools across the region. This flagship initiative aims to identify and celebrate academic excellence, offering scholarships and prizes worth Rs. 50,00,000. More than a competition, SNTRT is our way of recognising potential, encouraging ambition, and investing in the future of young minds. Through this program, Shree Niketan continues to empower students to dream big and achieve more.

At Shree Niketan, we believe that true success is earned through hard work, perseverance, and unwavering dedication. We gathered with immense pride and joy to felicitate our shining stars - the students who have secured admissions into prestigious universities and colleges purely on merit. Their journey reflects not only their academic brilliance, but also the values of integrity, grit, and resilience that our institution holds dear. As they step into new chapters of learning and leadership, we honour their achievements and wish them greater heights in all their endeavours.

This exclusive Integrated JEE (Main and Advanced) Classroom Programme is for XI & XII Grade students aiming to join leading engineering institutions like IITs, NITs, BITS, Anna University and so on.

# "INDIAN ROOTS, GLOBAL OUTLOOK" IS OUR MOTTO

To constantly evolve thereby keeping up with the latest trends worldwide, Shree Niketan has established global relations and made MOUs with leading organisations globally to bring internationalism to our schools. Today, our association with these organisations, entitles the school to implement 21st century learning programmes and our students and teachers participate in the international competitions, programmes and seminars too.

**Shree Niketan is the pioneering school from Tamil Nadu and one among the few schools in India to send its students for three consecutive years to participate in International Space camp at NASA, USA.**

# STUDENT EXCHANGE PROGRAM

---

Shree Niketan signed an MoU with Odsherreds Efterskole, Vestsjælland, Denmark, to promote a mutually enriching student and teacher exchange program that fostered cross-cultural understanding between the two countries. As part of this collaboration, students from Odsherreds Efterskole visited our school for a 10-day exchange program, joining their Indian counterparts in exploring various heritage sites that showcased the rich cultural legacy of our nation. They also visited the Tamil Nadu State Assembly to gain insights into the functioning of India's democratic system. Our students later visited Odsherreds Efterskole, Denmark, in April, completing this meaningful cultural and educational exchange.

## INTERNATIONAL COLLABORATIONS

Shree Niketan Patasala partnered with Scandinavian Gymnasium, Kyiv, Ukraine, for the Knowledge Exchange Programme 2022. Focusing on Climate Action (SDG 13), the session provided students with global insights into sustainability and environmental responsibility. Conducted virtually via Microsoft Teams, the event highlighted cross-cultural learning and future-ready education.

Our students have enthusiastically participated in Space Kidz India's Singapore Science Exploration contest and visited the Balloon Satellite launch at VIT and Sathyabama university campuses.

The British Council's F1 Learning Sectors Program – Round 2 (Primary), for students aged 7–11, blends STEM with real-world challenges. Sponsored by Formula 1, it promotes critical thinking, collaboration, and digital literacy while fostering global partnerships. The initiative nurtures innovation, intercultural awareness, sustainability, and prepares learners for global citizenship.

## INTERNS FROM INTERNATIONAL COMMUNITY AT SHREE NIKETAN

For the academic year 2016-2017, we had Ms Erin Dennis, (Majored in History) and Ms Jennifer Hanks (Medical Student) for two months. Ms Erin

taught Social Studies for classes III, IV and V while Jennifer taught Biology for classes VII, VIII, IX and Music for VI, VII, VIII, IX and X.

In the academic year 2015-2016, as part of GENERATION UK-INDIA PROGRAMME, Shree Niketan Patasala hosted Ms Anna O Driscoll for six months. During her internship at Shree Niketan Patasala, Ms Anna assisted English teachers of class IV to VIII in teaching English literature to students. She also taught Photography as a part of the extra-curricular activities to our students.

## KNOWLEDGE EXCHANGE PROGRAM

Knowledge exchange programmes are an integral part of students life at Shree Niketan. Students from Ukraine, Pakistan, USA, Georgia, Egypt, Captian Bermudaz, and Rome have successfully connected with our students and had discussions on various aspects.

## LEADING EDUCATIONAL ORGANISATIONS AND CONSULTANTS WE ARE ASSOCIATED WITH:

Education is an evolving process. There are two aspects to imparting learning, one is a broader aspect, namely macro-learning, and the other is in-depth learning of the subject, as in micro-learning, which is done in collaboration with specialists in the respective field.

Octoze is a software product development company focusing on campus administration solutions and communication to parents through CamU App.

We are one among the few schools in Thiruvallur District to have the Atal Tinkering Lab, an approach by the Central Govt of India to create an environment of scientific temperament, innovation, creativity amongst Indian students.

Implements twining programs such as reading challenge, Generation UK-India and workshops for students and teachers apart from world class library facilities.

Associated with The Environmentalist Foundation of India Chennai, which focuses on wildlife conservation and habitat restoration known for its work in cleaning and scientific restoration of lakes in India for biodiversity. Our children on a regular basis participate in the varied activities of the organization.

Madras Dyslexia Association (MDA) is a non-profit service organization established to take a pragmatic approach to helping children with "Dyslexia". Our teachers are associated with MDA to Identify students with Dyslexia and providing remedial help and support. We also have a resource room at our campus.

Extramarks smartclass offers study material, notes and tutorials for all boards of the schools in the group.

Medical | IIT-JEE | Foundations

This year, we have expanded our reach by partnering with the nationally reputed \*Aakash Institute\* for our Tiruvallur campuses. With these collaborations, students gain access to high-quality coaching, updated resources, and proven methodologies, further enhancing their readiness for success in medical and engineering entrance exams. These alliances reflect Shree Niketan's unwavering commitment to nurturing academic excellence and opening new avenues for every learner's aspirations.

The School Cinema Program is designed to introduce students to a collection of short films and stories that revolve around the core values that are essential for personal growth and societal well-being. By integrating cinema into our educational framework, we aim to leverage the emotional and intellectual impact of this medium to instill values and ethics. A complementary workbook featuring thought-provoking questions, activities, and exercises that reinforce the values learned through the films is given to the students. Through the School Cinema program, students not only gain a deeper understanding of values, but also develop important life skills such as empathy, effective communication, and problem-solving.

Academy of Advanced Learning

A leading and successful competitive academy that provides comprehensive test preparatory services to students who dream about a career in Medicine and prepare for JEE (Main and Advanced) Examinations.

# INNOVATION BEGINS HERE: ATL AT SHREENIKETAN

---

At Shree Niketan, innovation is not an add-on - it's at the core of our learning culture. Our Atal Tinkering Lab, rated Grade A by the Atal Innovation Mission, has evolved into a vibrant ecosystem where curiosity meets creativity. From space science to robotics, and from green energy to gaming solutions, our students have delved into the world of science and technology with passion and purpose.

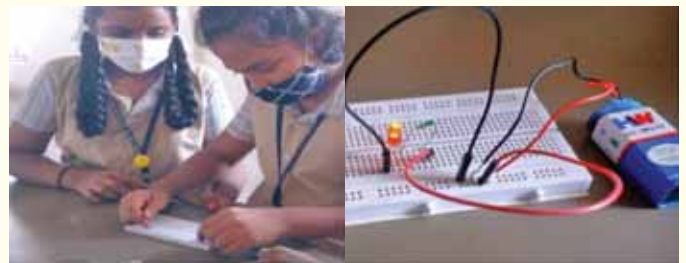

The ATL Month Challenge wins - eight times and counting - reflect our consistent excellence in problem-solving. Our projects like the Hovercraft, Fire-Fighting Robot, and Wildlife Surveillance Car have not only bagged accolades at district and state levels but have also been appreciated by ISRO scientists and dignitaries.

Our young innovators have been finalists in the Young Scientist India competition, recipients of the prestigious Inspire Manak Award, and top performers in National Space Day activities, Ideathons, and quizzes on sustainability. With 25+ projects in ATL Marathon 2023 and 39 projects submitted in 2024, our momentum only grows stronger.

Hands-on learning through 3D design, Arduino, app development, and IoT has been seamlessly integrated into our curriculum, thanks to our trained mentors and active webinars. Events like the Mega Tinkering Activity and collaborations with Learning Links Foundation, UNICEF, and NITI Aayog have given our students national exposure and real-world skills.

As we celebrate two decades of excellence, our ATL lab stands as a beacon of scientific inquiry, nurturing critical thinkers, young scientists, and future changemakers. At Shree Niketan, we don't just teach science; we explore it, question it, and innovate with it.

# CELEBRATING EXCELLENCE BEYOND OUR CAMPUS

---

Over the past two decades, our students have consistently demonstrated that learning at our school extends far beyond the classroom walls. Their participation and success in a range of external competitions - academic, cultural, and sporting - have been a reflection of their curiosity, creativity, and commitment to excellence.

## Achievement in National Space Exhibition by ISRO

Our students won District 2nd and 3rd prizes at the National Space Exhibition conducted by ISRO at Prathyusha Engineering College. They were honoured with certificates by the District Collector, Dr. Prabhushankar.

## Achievement in Inter-School Science Project Competition - AAROHAN

Our students secured 2nd place in the Inter-School Science Project Competition "AAROHAN" held at Murugappa Polytechnic College. Their project, "Wildlife & Army Surveillance Car," was highly appreciated for its innovation, research, and practical relevance.

## Success in "Veetuku Oru Vignani" Project Competition

Our students participated in the prestigious project competition "Veetuku Oru Vignani" organized by Puthiya Thalaimurai news channel and brought laurels to the school.

# Dare to dream, Reach for the Sky

It begins with one small step

Shree Niketan Group believes that role models propel students to achieve greater heights. Thus, the Group has integrated the visit of several stalwarts and achievers into its annual calendar of events since 2006. The 'Dare to Dream, Reach for the Sky' initiative provides opportunities for students to interact with eminent personalities and get inspired and motivated by their presence.

Their Words Invoke,  
Their Deeds Motivate,  
Their Presence Inspires.

Shree Niketan Group had the honour of the august presence of Late Dr. A.P.J. Abdul Kalam, former president of India, who presided over the 10th edition of 'Dare to Dream, Reach for the Sky' - Initiative on 23<sup>rd</sup> September, 2014.

# THE STALWARTS WHO CAME AND INSPIRED

Shree Niketan strongly believes that interactions with achievers and eminent personalities have a strong influence on students' outlook and impact them positively. Dare to Dream, Reach for the Sky is an annual feature of the academic calendar.

# STUDENT ENRICHMENT PROGRAMMES

We need an educational system that excites and stimulates children, providing them with the learning they need and deserve to fulfill their potential. This means providing a curriculum of practical and vocational learning alongside theoretical study. It is imperative for all students to constantly update and improve themselves holistically to face challenges of a constantly evolving world when they pass out from school. We provide enrichment programmes apart from regular curriculum that encompasses all dimensions of Holistic learning.
